INFORMATION HAS VALUE

as a commodity, as a means of education, & as a means to influence

understand the publishing practices, access to information, the commodification of personal information, intellectual property laws, and understand evolving creation processes

understand your rights and responsibilities when participating in a community of scholarship

leveraged by individuals and organizations to effect change and for civic, economic, social, or personal gains

IN PRACTICE

FIRST Give credit to the original ideas of others through proper attribution and citation

THEN Understand that intellectual property is a legal and social construct that varies by culture

FINALLY Articulate the purpose and distinguishing characteristics of copyright, fair use, open access, and the public domain
